## Natural Stone Internship | Final Evaluation

**Write a 2,000-word evaluation of your experiences during your internship. Use the questions below as a guide for this assignment.**

- Overall, what was your favorite week of curriculum and why?
- What week was the most challenging for you and why?
- Do you still want to pursue a career revolved around natural stone building materials?  
*Elaborate on what particular sector you are interested in – fabrication, design, installation, sales, quarrying, drafting, inventory management, purchasing, stone masonry, etc.*
- How likely are you to recommend this program to others?
- What would you add to or change about the course to make it better?
- Were there any particular topics that you felt needed more dedicated time and/or resources?
