## Natural Stone Internship | Final Portfolio Checklist

**Compile two final portfolios. Submit one to your professor to document your participation and successful completion of your goals. Submit the other to the Natural Stone Institute for use in evaluation and continuous improvement of the program, as well as to receive an official certificate of completion.**

Each portfolio should include the following:

- Learning Objective Statement
- 15 Weekly Journals
- Informational Interview Summary
- Midterm Evaluation
- Student / Supervisor Review
- Transcript from Natural Stone University
- 2 Work Samples
- Final Evaluation and Summary
