Nomination Form

The Migliore Award honors an individual for their lifetime achievements and service to the natural stone industry, recognizing individuals who have made meaningful contributions beyond entrepreneurship. The award was established to celebrate an individual's dedication, leadership, and impact in the natural stone industry.

Eligibility & Criteria:

- Open to domestic and international members in good standing with the Natural Stone Institute (NSI).
- Nominees must be an active or retired NSI member with at least 30 years of career accomplishments while employed within or serving the natural stone industry.
- Nominees must have contributed to NSI's mission, such as committee service, board participation, and educational contributions etc.
- Nominees must have contributed to professional growth within the industry through mentorship, training, or publications.
- Nominees must embody NSI's core values: skill; integrity; responsibility; leadership; innovation; and industry service.
- Self-nominations will not be accepted.

Application Process:

- Nominator will fill out the application and provide supporting materials documenting the nominee's qualifications and commitment. A cover letter must accompany the submission summarizing its contents.
- Required materials include biographical overview, career highlights, leadership and service examples, involvement in other organizations, contributions to industry education, and three (or more) letters of recommendation.
- Letters of recommendation shall ideally come from industry peers outside the nominee's company.
- The nomination dossier must be comprehensive, including endorsements and evidence of impact.
- Nomination packages must be **submitted by May 20 to Jane Bennett at jane@naturalstoneinstitute.org**.
- Incomplete submissions will be disqualified.

Acceptance Process:

- The Migliore Jury will select a single recipient annually, assuming a qualified candidate has applied. In any given year the Migliore Award may not necessarily be awarded to a recipient, as to maintain the highest standards possible.
- Awarded Recipient must submit 12-15 photos showcasing their career and industry participation.
- Awarded Recipient must complete an interview with an NSI staff member.
- It is expected that the Awarded Recipient will attend the NSI Awards Ceremony to receive the award.
- It is expected that the Awarded Recipient will give an acceptance speech at the NSI Awards Ceremony.
- All NSI award winners are promoted via social media outlets, eBlasts, *The Cutting Edge* newsletter, *Building Stone Magazine*, and the NSI website. By accepting the award, Awarded Recipient agrees to the promotional terms outlined in the **Natural Stone Institute Media Release**.
