

Natural Stone Scholarship

The **Natural Stone Scholarship** was established by the Institute to provide educational opportunities for aspiring fabricators, installers, or administrative apprentices interested in furthering their careers within the natural stone industry.

The scholarship will cover travel and registration costs for one or more recipients to **TISE**, the natural stone industry's premier exhibition and education event, held at the **Mandalay Bay Convention Center in Las Vegas, Nevada**. The Natural Stone Scholarship winner(s) will also attend the Natural Stone Institute's annual **Awards Ceremony**.

Attendance at **TISE** and the **Awards Ceremony** offers the scholarship winner the opportunity to gain valuable technical and practical knowledge, meet and network with leading stone professionals, deepen his or her commitment to a career in the stone industry, and explore his or her potential for future leadership.

Funds are made possible through the generous donations from Natural Stone Institute members worldwide: total donations will determine the number of scholarship recipients each year. Applications will be reviewed by a committee of industry veterans.

"I have been fortunate to have encountered some very supportive people during my career who have patiently passed on their knowledge of stone. I know my future is in the natural stone industry."

Nadia Grogan, *FraserView Masonry*

Application Due July 20

Scholarship Selection Criteria:

- Applicants must have fewer than five years of experience in the natural stone industry and work for a Natural Stone Institute member company for at least six months prior to entering and be employed by a member company at the time the award is presented at **TISE**.
- Applicants must submit an application form and essay detailing their commitment to the natural stone industry, along with a letter of recommendation from their employer.
- Applications must be received by **July 20**.
