PROJECT:

Bluth Residence Master Bath
Lake Tahoe, Nevada USA

MIA MEMBER COMPANY:

Radtke Tile & Marble, Inc.
Carson City, Nevada
Stone Fabricator & Installer

Opulent features of the 500+ sq. ft. master bath in this Old World chateaux-style estate include a 20 ft. marble vanity counter, a white onyx tub deck with two solid 8-in. diam. white onyx columns, a bookmatched marble steam shower, and white onyx flooring with a sunburst panel spanning six feet in the center of the room. Marble flooring was used for an adjoining 500 sq. ft. closet, which boasts an onyx center island for wardrobe layout. Radtke Tile and Marble imported the onyx from Jordan and the columns were hand-turned in Italy.

JUDGES' COMMENTS:

"Elegant opulence at its best"... "Stunning beauty"... "A powerful geological statement"...
"Very nice use of materials and installation."
